Advertising with Weather Compass

Rules and Regulations

- Your ad may not contain any pornographic or adult material.
- We will not advertise the following types of business: cigarettes, cigars, alcohol, or sexual content.
- Please read our Acceptable Use Policy and our Privacy Policy before creating an ad.
- Weather Compass must approve your application before we allow you to advertise on Weather Compass and we must review your advertisement before it will be placed on our website.
- There are certain size limitations for your advertisement if it is in a jpeg format. These limitations will vary depending on what page(s) you will be marketing on.
- There is no price difference between a jpeg formatted advertisement and a text only advertisement.
- Your advertisement may either be in a jpeg format (picture) or a text format. Flash advertisements are forbidden.
- Rules and Regulations can be adjusted accordingly on a case-by-case basis. Weather Compass reserves the right to specify certain rules to certain customers. We are not discriminating but certain rules may change due to swayed circumstances.

Procedures

1. Choose a payment plan below.
2. Fill out our advertisement application located on our "Advertise" page.
3. Wait for a reply to your advertisement application from Weather Compass via email.
